MEMORANDUM

FOR THE MEMBERS OF THE TECHNICAL REVIEW COMMITTEE (TRC) FOR
INSTALLATION RESTORATION PROGRAM AT NAVAL AIR WARFARE CENTER
(NAWC) TRENTON, NEW JERSEY

This memorandum is to confirm that the next TRC meeting will be
on September 23, 1992 at the NAWC site. The meeting will be held
in the OP Conference Room at 10:00 AM in Building #21.

The main item on the agenda for this meeting will be the
presentation of the results from the first round of sampling. If
you have any questions or you can not attend the meeting please
contact me at (215) 595-0556.

Sincerely,

WILLIAM SCHROCK

Remedial Project Manager

By direction of the Commanding Officer
